## Jorgensen Announces Re-Election Campaign

FORT ATKINSON, WI – With a successful campaign kickoff and over a hundred nomination signatures in the bank, Representative Andy Jorgensen (D-Fort Atkinson) released the following statement as he officially begins his re-election campaign:

“Over the past four years, I have been blessed with overwhelming support from my friends and neighbors across our community and this election year is no different. It is undeniable that we are facing some of the worst economic times since the Great Depression and Wisconsin has a long way to go before we are out the woods. But I am committed to fighting for hard working, middle class families throughout Wisconsin and right here in our backyard. I believe that Wisconsin works best when we all work together, and I will continue working with my colleagues on both sides of the aisle to stand up for the values we all share.”
